

# Elvis Presley - No More

Tom: D  
Intro: D

D A  
No more do I see the starlight caress your hair  
A D  
No more feel the tender kisses we used to share  
D A  
I close my eyes and clearly my heart remembers  
A D  
A thousand good-byes could never put out the embers

D A  
Darling I love you so and my heart forever  
Em A  
Will belong to the memory of the love that we knew  
D  
Before

D A  
Please come back to my arms, we belong together  
A Em A  
Come to me let's be sweethearts again and then let  
D  
Us part no more

D A  
No more do I feel the touch of your hand on mine  
A  
No more see the lovelight making your dark eyes  
D  
Shine  
D A  
Oh how I wish I never had caused you sorrow  
A D  
But don't ever say for us there is no tomorrow

D A  
Darling I love you so and my heart forever  
Em A  
Will belong to the memory of the love that we knew  
D  
Before

D A  
Please come back to my arms, we belong together  
A Em A  
Come to me let's be sweethearts again and then let  
D  
Us part no more
