

# Elvis Presley - Paralyzed

Tom: D

When you looked into my eyes  
 I stood there like I was hypnotized  
 You sent a feeling to my spine  
 A feeling warm and smooth and fine  
 All I could do were stand there paralyzed  
 When we kissed, ooh what a thrill  
 You took my hand and, ooh baby, what a chill  
 I felt like grabbin' you real tight  
 Squeeze and squeeze with all my might  
 But all I could do were stand there paralyzed  
 Oh yeah lucky me, I'm singing every day  
 Ever since that day you came my way  
 You made my life for me just one big happy game  
 I'm gain every morning  
 At night I'm still the same  
 Do you remember that wonderful time

You held my hand and swore that you'll be mine  
 In front of preacher you said  
 "I do" I couldn't say a word for thinking of you  
 All I could do was stand there paralyzed  
 Oh yeah lucky me, I'm singing every day  
 Ever since that day you came my way  
 You made my life for me just one big happy game  
 I'm gain every morning  
 At night I'm still the same  
 Do you remember that wonderful time  
 You held my hand and swore that you'll be mine  
 In front of preacher you said  
 "I do" I couldn't say a word for thinking of you  
 All I could do was stand there paralyzed  
 All I could do was stand there paralyzed
