

Elvis Presley - Paralyzed

Tom: D

When you looked into my eyes
 I stood there like I was hypnotized
 You sent a feeling to my spine
 A feeling warm and smooth and fine
 All I could do were stand there paralyzed
 When we kissed, ooh what a thrill
 You took my hand and, ooh baby, what a chill
 I felt like grabbin' you real tight
 Squeeze and squeeze with all my might
 But all I could do were stand there paralyzed
 Oh yeah lucky me, I'm singing every day
 Ever since that day you came my way
 You made my life for me just one big happy game
 I'm gain every morning
 At night I'm still the same
 Do you remember that wonderful time

You held my hand and swore that you'll be mine
 In front of preacher you said
 "I do" I couldn't say a word for thinking of you
 All I could do was stand there paralyzed
 Oh yeah lucky me, I'm singing every day
 Ever since that day you came my way
 You made my life for me just one big happy game
 I'm gain every morning
 At night I'm still the same
 Do you remember that wonderful time
 You held my hand and swore that you'll be mine
 In front of preacher you said
 "I do" I couldn't say a word for thinking of you
 All I could do was stand there paralyzed
 All I could do was stand there paralyzed
