

Elvis Presley - Rock-a-hula baby

Tom: C

C
 The way she moves her hips to her fingertips
 F C
 I feel I'm heaven bound
 G7
 And when she starts to sway, I've gotta say
 F C
 She really move the grass around

REFRÃO:

C
 Rock-a-hula baby
 Rock-a-hula baby
 F C

Got a hula lulu from Honolulu
 G7 C
 That rock-a-hula baby of mine

Although I love to kiss my little hula miss
 I never get the chance
 I wanna hold her tight all through the night
 But all she wants to do is dance

Repetir refrão

I bet that she could teach the palms along the beach
 To sway when breezes blow
 And birds up in the sky could learn to fly
