

Elvis Presley - Solitaire

Tom: C

There was a man, - a lonely man.
 Who lost his love, - thru his indifference
 A heart that cared - that went unshared
 Until it died - within his silence

And solitaire is the only game in town
 And every road that takes him, takes him down
 While life goes on around him everywhere
 He's playing solitaire.

And keeping to himself, begins to deal
 And still the king of hearts is well concealed
 Another losing games comes to an end
 And deals them out again

A little hope - goes up in smoke
 Just how it goes, - goes without saying

There was a man, - a lonely man
 Who would command - the hand he's playing

And solitaire is the only game in town
 And every road that takes him, takes him down
 While life goes on around him everywhere
 He's playing solitaire.

And keeping to himself, begins to deal
 And still the king of hearts is well concealed
 Another losing games comes to an end
 And deals them out again

And solitaire is the only game in town
 And every road that takes him, takes him down
 While life goes on around him everywhere
 He's playing solitaire.
