CAPO 1

When her motor's warm
And she's purring' sweet
Buddy let me warn ya
You're on a one way street
She'll crowd ya close
Spin your wheels
Then you're gonna know how it feels
To spinout spinout
Beter watch those curves
Never let her steer
If she can shake your nerves boy
She can strip your gears

G)

She'll get your heart
Goin fast
Then she'll let you run out of gas
So spinout spinout
The road to love is full of danger signs
To many guys were lost who crossed those double lines
Don't you know she's out to prove
She can really score
Never saw parts move boy
Like that before
To flag you down
That's her goal
Scoot before you lose control
And spinout spinout
The road to love is full of danger signs
To many guys were lost who crossed those double lines
Don't you know she's out to prove
She can really score
Never saw parts move boy
Like that before
To flag you down
