CAPO 1

When her motor's warm
And she's purring' sweet

Buddy let me warn ya

You're on a one way street

She'll crowd ya close

Spin your wheels

Then you're gonna know how it feels

To spinout spinout
Beter watch those curves
Never let her steer

If she can shake your nerves boy
She can strip your gears

G)

She'll get your heart

Goin fast

Then she'll let you run out of gas

So spinout spinout

The road to love is full of danger signs

To many guys were lost who crossed those double lines

Don't you know she's out to prove

She can really score

Never saw parts move boy

Like that before

To flag you down

That's her goal

Scoot before you lose control

And spinout spinout

The road to love is full of danger signs

To many guys were lost who crossed those double lines

Don't you know she's out to prove

She can really score

Never saw parts move boy

Like that before

To flag you down
