

# Elvis Presley - There's a Honk Tonk Angel

Tom: A

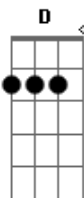

When was the last time you kissed me  
 and I don't mean a touch now and then  
 It's been a long time since you felt like my woman  
 And even longer since I felt like your man  
 So tell me if you think it's over  
 and I'll leave it up to you how it ends  
 And if there's someone who wants the love you can give him  
 Well there's a honky tonk angel who'll take me back in  
 D A E A

We've been livin' a lie for so long now  
 how much more do you think we can stand  
 There's an old friend out there and she's waiting  
 Lord she's happy just holding my hand  
 So tell me if you think it's over  
 and I'll leave it up to you how it ends  
 And if he still wants the love you can give him  
 Well there's a honky tonk angel who'll take me back in  
 D  
 Yeah there's a honky tonk angel who'll take me back in
