

Elvis Presley - There's a Honk Tonk Angel

Tom: A

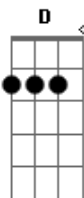

When was the last time you kissed me
 and I don't mean a touch now and then
 It's been a long time since you felt like my woman
 And even longer since I felt like your man
 So tell me if you think it's over
 and I'll leave it up to you how it ends
 And if there's someone who wants the love you can give him
 Well there's a honky tonk angel who'll take me back in
 D A E A

We've been livin' a lie for so long now
 how much more do you think we can stand
 There's an old friend out there and she's waiting
 Lord she's happy just holding my hand
 So tell me if you think it's over
 and I'll leave it up to you how it ends
 And if he still wants the love you can give him
 Well there's a honky tonk angel who'll take me back in
 D
 Yeah there's a honky tonk angel who'll take me back in
