

Elvis Presley - Thrill Of Your Love

Tom: G

Verse:

I have wished for the wealth
 Of a great millionaire
 I have reached for a bright star above
 But the thrill of it all
 To me seems so small
 When compared to the thrill of your love

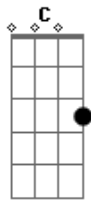

Chorus:

I'd rather give everything
 That I own in this world
 Than to be all alone and unloved
 For no earthly price and no sacrifice
 Is too much to give
 For your love
 (Repeat chorus)
