

Elvis Presley - Trouble

Tom: C

If you're looking for trouble C
 You came to the right place C
 If you're looking for trouble C
 Just look right in my face C
 I was born standing up C
 And talking back C
 My daddy was a green-eyed mountain jack C7
 Because I'm evil, my middle name is misery C
 Well I'm evil, so don't you mess around with me F
 I've never looked for trouble C
 But I've never ran C
 I don't take no orders C
 From no kind of man C
 I'm only made out C

Of flesh, blood and bone C
 But if you're gonna start a rumble C
 Don't you try it on alone C7
 Because I'm evil, my middle name is misery F
 Well I'm evil, so don't you mess around with me C
 I'm evil, evil, evil, as can be G7
 I'm evil, evil, evil, as can be C
 So don't mess around don't mess around don't mess around with me G7
 I'm evil, I'm evil, evil, evil C
 So don't mess around, don't mess around with me G7
 I'm evil, I tell you I'm evil C
 So don't mess around with me G7
 Yeah C
