

# Elvis Presley - Trouble

Tom: C

If you're looking for trouble C  
 You came to the right place C  
 If you're looking for trouble C  
 Just look right in my face C  
 I was born standing up C  
 And talking back C  
 My daddy was a green-eyed mountain jack C7  
 Because I'm evil, my middle name is misery F  
 Well I'm evil, so don't you mess around with me F  
 I've never looked for trouble C  
 But I've never ran C  
 I don't take no orders C  
 From no kind of man C  
 I'm only made out C

Of flesh, blood and bone C  
 But if you're gonna start a rumble C  
 Don't you try it on alone C7  
 Because I'm evil, my middle name is misery F  
 Well I'm evil, so don't you mess around with me C G7  
 I'm evil, evil, evil, as can be C  
 I'm evil, evil, evil, as can be G7  
 So don't mess around don't mess around don't mess around with me C  
 I'm evil, I'm evil, evil, evil G7  
 So don't mess around, don't mess around with me C  
 I'm evil, I tell you I'm evil G7  
 So don't mess around with me C  
 Yeah
