

Elvis Presley - Trouble

Tom: C

If you're looking for trouble C

You came to the right place C

If you're looking for trouble C

Just look right in my face C

I was born standing up C

And talking back C

My daddy was a green-eyed mountain jack C7

Because I'm evil, my middle name is misery F

Well I'm evil, so don't you mess around with me G7

I've never looked for trouble C

But I've never ran C

I don't take no orders C

From no kind of man C

I'm only made out C

Of flesh, blood and bone C

But if you're gonna start a rumble C

Don't you try it on alone C7

Because I'm evil, my middle name is misery F

Well I'm evil, so don't you mess around with me C G7

I'm evil, evil, evil, as can be C

I'm evil, evil, evil, as can be G7

So don't mess around don't mess around don't mess around with me C

I'm evil, I'm evil, evil, evil G7

So don't mess around, don't mess around with me C

I'm evil, I tell you I'm evil G7

So don't mess around with me C

Yeah
