

# Elvis Presley - Trying To Get To You

Tom: E  
 (intro) B7  
 I've been trav'lin'over mountains  
 Even thru the valleys too  
 I've benn trav'lin' night and day  
 I've been runnin all the way baby, try to get to you  
 Ever since I read your letter  
 Where you said you loved me true  
 I've benn trav'lin' night and day  
 I've been runnin all the way baby, try to get to you  
 When I read your lovin'letter then my heart began  
 to sing  
 There were many miles between us But they didn't  
 mean a thing  
 I just had to reach you , Baby  
 Spite of all that I've been through

I kept trav'lin' night and day  
 I kept runin'all the way baby try to get to you  
 (solo)  
 If I had to do it over  
 That's exactly what I'd do  
 I would travel night and day  
 And I'd still run all the way baby,try to get to you  
 There was nothing that could hold me or could keep  
 me away from you  
 When your lovin'letter told me that you really  
 loved me true  
 Lord above, you know I love you  
 It was he that brought me through  
 When my way was dark at night he would shine his  
 brightest light  
 When I was trying to get to you
