I've been travling over mountains  
 E  
 Even through the valley's too  
 A  
 I've been travling night and day  
 B7  
 I've been running all the way  
 E  
 Baby, trying to get to you  
 E  
 Ever since I read your letter  
 E  
 Where you said you loved me true  
 A  
 I've been travling night and day  
 B7  
 I've been running all the way  
 E  
 Baby, trying to get to you  
 E7  
 A  
 When I read your loving letter  
 E  
 Then my heart began to sing  
 A  
 There were many miles between us  
 B7 Tacet  
 But they didn't mean a thing  
 E  
 I had to try to reach you baby  
 E  
 In spite of all you put me through  
 A  
 I've been travling night and day

I've been running all the way B7  
 Baby, trying to get to you E  
 Well there's nothing that could hold me here A  
 Or that could keep me away from you E  
 When your loving letter told me A  
 That you really loved me true B7  
 Oh, Lord above he knows I love you E  
 It was he who brought me through E  
 When my way was dark as night A  
 It would shine as bright as light B7  
 When I was trying to get to you E  
 When I read your loving letter A  
 Then my heart began to sing E  
 There were many miles between us A  
 But they didn't mean a thing B7  
 Oh, Lord above he knows I love you E  
 It was he who brought me through A  
 When my way was dark as night B7  
 It would shine as bright as light E  
 When I was trying to get to you E A E A B7
