

# Elvis Presley - Way down

Tom: C

<sup>C</sup>  
Babe, you're getting closer  
The lights are goin' dim  
The sound of your breathin'  
Has made the mood I'm in

<sup>F</sup>  
All of my resistance  
Is lying on the floor

<sup>C</sup>  
You're sending me to places  
<sup>G</sup> <sup>C</sup>  
I've never been before

Ooh, and I can feel it,  
Feel it, feel it, feel it

Way down where the music plays <sup>C</sup>

Way down like a tidal wave <sup>G</sup>  
Way down where the fires blaze

<sup>F</sup> <sup>C</sup> <sup>F</sup> <sup>C</sup>  
Way down, down, way, way on down

Ooh, my head is spinnin'  
You got me in your spell,  
A hundred magic fingers  
On a whirling carousel

<sup>F</sup>  
The medicine within me  
No doctor could prescribe

<sup>C</sup>  
Your love is doing something  
<sup>G</sup> <sup>C</sup>  
That I just can't describe

Ooh, and I can feel it,  
Feel it, feel it, feel it

Way down where the music plays <sup>C</sup>

Way down like a tidal wave <sup>G</sup>  
Way down where the fires blaze

<sup>F</sup> <sup>C</sup> <sup>F</sup> <sup>C</sup>  
Way down, down, way, way on down

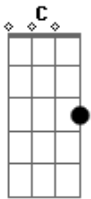

Hold me again,  
Tight as you can  
I need you so,  
Baby, let's go

<sup>G</sup> <sup>C</sup>  
Way down where it feels so good

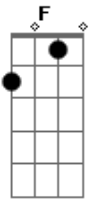

Way down where I hoped it would  
Way down where I never could

<sup>F</sup> <sup>C</sup> <sup>F</sup> <sup>C</sup>  
Way down, down, way, way on down
