

Em Beihold - Groundhog Day

tom:
 G
 All my friends are movin' on
 Gb
 Getting hitched and then they're gone
 B Bm
 And I'm alone, all alone
 Gb
 I'm in the same room as before
 Bb
 With mom and dad right next door
 B
 And I'm scared I might be here forever
 Bm
 I love them but some ties need to be severed
 B Bm
 And I said I'd move out last year
 Gb Bb
 So why the hell am I still here?
 Gb Bb
 And it's easy to say I'm okay
 B Bm
 But the smile I'm wearing is fake
 Gb Bb
 I'm suffocating, living Groundhog Day
 B Bm
 Day after day, day after day
 Gb
 And I think I'm gonna break
 Bb
 Oh-oh-oh-oh-oh
 B Bm
 Oh-oh-oh-oh-oh
 Gb
 My friend's baby's on the way

Acordes

Bb
 Just 22 but should I do the same?
 B
 But I'm broke and unemployed
 Bm
 Another night staring straight into the void and
 B Bm
 I just wanna drive away
 Gb Bb
 But I don't have a car so I guess I gotta stay
 Gb Bb
 And it's easy to say I'm okay
 B Bm
 Up and down these emotional waves
 Gb Bb
 I'm sick and tired of living Groundhog Day
 B Bm
 Day after day, day after day
 Gb
 And I think I'm gonna break
 Bb B Bm
 Day after day, day after day, day after day
 Gb Bb B Bm
 Day after day, day after day, day after day
 Gb Bb
 And it's easy to say I'm okay
 B Bm
 But the smile I'm wearing is fake
 Gb Bb
 I'm sick and tired of living Groundhog Day
 B Bm
 Day after day, day after day
 Gb
 And I think I'm gonna break
 Bb B Bm Gb
 And I think I'm gonna break
