

Ember Island - Love Deserved

Tom: G

(com acordes na forma de Ab)

Afinação: Eb Ab Db Gb Bb Eb Fm

Let's make a deal

If you find it you'll owe me a lie

I was fortunate baby

Before you walked into my life

And when you found me

You ran out of fear

I thought it was kind

But it left me in tears

Made you the winner

But it's not too late to give up

To give up

Love deserved

In my mind you'll stay

In my mind you'll stay

Love deserved

In my mind you're safe

In my mind you're safe

Love deserved

In my mind you'll

In my mind you'll say

In my mind you'll say

Love deserved..

In my mind you'll stay

In my mind you're safe

I had a dream that I found it

And locked it for life

I'm a blue-eyed believer

Still thinking this love could survive

Time didn't heal

Still my memories bleed

So I saved the good

Then the bad disappeared

Made me a winner

Cause I have it all in my mind

In my mind

Love deserved

In my mind you'll stay

In my mind you'll stay

Love deserved

In my mind you're safe

In my mind you're safe

Love deserved

In my mind you'll

In my mind you'll say

In my mind you'll say

Love deserved..

In my mind you'll stay

In my mind you're stay
