## **Ember Island - Umbrella**

Tom: C

C You had my heart, and we'll never be world apart Bm Em Maybe in magazines, but you'll still be my star G Baby cause in the dark, you can't see shiny Cars Bm And that's when you need me there Em With you I'll always share С Because С When the sun shines G We'll shine together Told you I'll be here forever That I'll always be your friend Took an oath Imma stick it out 'till the end Now that it's raining more than ever Know that we still have each other Fm You can stand under my Umbrella You can stand under my Umbrella G (Ella ella eh eh eh) Bm Under my umbrella Em (Ella ella eh eh eh) С Under my umbrella D (Ella ella eh eh eh) Bm Under my umbrella Em (Ella ella eh eh eh eh eh) С G These fancy things, will never come in between Bm Fm You're part of my entity, Here for Infinity When the war has took it's part G When the world has dealt it's cards Em If the hand is hard, Together we'll mend your heart С. Because
