Em C G  
You'll be my Monday, my fresh start  
I'll be your Sunday, never be apart

If you could see I could be the one to make you smile  
Em C G D  
And all you'll need is love, we could take our time  
Em C  
Spend every second with you  
G D Em C G  
Turn all your pressure into simply setting all your wildest dreams

You just gotta follow me  
Em C  
I know you'll be the one

My paradise under the sun
