

# Emblem3 - Jaiden

Tom: E

Jaiden oh Jaiden

You're fading, you're fading

You take my heart away when

I think about the days when

we were like ourselves, always together.

Jaiden oh Jaiden

Mistakes that I keep making

You've taken what was sacred

And made it go away

Cause that's just how karma works, always forever

So I'll steal your heart another day

And we can live it in this holiday

And we can find ourselves searching for, the same thing.

Oh my dreams, just dreams

Are really useless

When it comes to spending time with you miss

You make all my dreams come true, without reason.

I wish you were here

wooaah-ho wooooaah-ho

I wish you were here

wooaah-ho

Jaiden oh Jaiden

I'll say it again,

The pain goes away when

I mutter your name

I pretend that we were, always together.

Jaiden oh Jaiden

I'm aging, I'm aging

I'm olding I'm graying

I still feel the same

Love only plays for keeps, always forever.

So I'll steal your heart another day

And we can live it in this holiday

And we can find ourselves searching for, the same thing.

Oh my dreams, just dreams

Are really useless

When it comes to spending time with you miss

You make all my dreams come true, without reason.

I wish you were here

wooaah-ho wooooaah-ho

I wish you were here

wooaah-ho

And all my flowers,

Seem to lose their fragrance

Living like a child,

With no imagination

My world, my world spins for you

And just know that I will always adore you

Because your face is imprinted, on my eyes.

I wish you were here

wooaah-ho wooooaah-ho

I wish you were here

wooaah-ho wooooaah-ho

I wish you were here oh, oohoh yea, yeayeeyeah

I wish you were here

Wooaah-ho woooo, Jaiden...
