Tom: **B**

(com acordes na forma de **A** )  
 Capotraste na 2ª casa

**A** **E**  
 Sometimes i lay

**Gbm**  
 Under the moon

**D**  
 And thank god i'm breathing

**A** **E**  
 And then pray

**Gbm**  
 Don't take me soon

**D**  
 Cause i'm here for a reason

**A** **E**  
 Sometimes in my tears i drown

**Gbm** **D**  
 But i never let it get me down

**A** **E**  
 And when negativity surrounds

**Gbm** **E**  
 I know some day that will all turn around  
 Because

**A** **E**  
 All my life i've been waiting for

**Gbm**  
 I've been praying for

**D**  
 For the people to say

**A** **E**  
 That we dont wanna fight no more

**Gbm**  
 There'll be no more wars

**D**  
 And our children will play

**A** **E** **Gbm** **D**  
 One day, one day, one day, one day (2x)

**A**  
 Someday this all will change

**E**  
 Treat people the same

**Gbm**  
 Stop with the violence

**D**  
 Down with the hate

**A**  
 One day we'll all be free

**E**  
 And proud to be

**Gbm**  
 Under the same

**D**  
 Singing songs of freedom

**A** **E**  
 Sometimes in my tears i drown

**Gbm** **D**  
 But i never let it get me down

**A** **E**  
 And when negativity surrounds

**Gbm** **D**  
 I know some day that will all turn around  
 Because
