

Emblem3 - One Day

Tom: B

(com acordes na forma de Capotraste na 2ª casa

Sometimes i lay
Under the moon
And thank god i'm breathing
And then pray
Don't take me soon
Cause i'm here for a reason

Sometimes in my tears i drown
But i never let it get me down
And when negativity surrounds
I know some day that will all turn around
Because

All my life i've been waiting for
I've been praying for
For the people to say
That we dont wanna fight no more
There'll be no more wars
And our children will play
One day, one day, one day, one day (2x)

Someday this all will change
Treat people the same
Stop with the violence
Down with the hate
One day we'll all be free
And proud to be
Under the same
Singing songs of freedom
Sometimes in my tears i drown
But i never let it get me down
And when negativity surrounds
I know some day that will all turn around
Because
All my life i've been waiting for
I've been praying for
For the people to say
That we dont wanna fight no more
There'll be no more wars
And our children will play
One day, one day, one day, one day (2x)
