Tom: E

(com acordes na forma de Capotraste na 2ª casa D)

Let's take a trip to sunset boulevard
 In the city of stars
 The city of blinding lights, and starry eyes
 I said now welcome to the city of angels
 Woaah
 City of angels
 Woaah
 I said I love my women like I love my juice naked
 All natural, no perservatives or fakness
 I like my ladies like I like my brady's in bunches
 I got the 6 pack I aint talking about the crunches
 Hit it till I quit it like tyson's punches
 Thats how you gotta rock if you wanna run shhhht
 Sweat make it less fizzy
 Buzz kill betty got me doly doly dizzy
 Lost in her eyes like oh my god where is she?
 Down here in so cal boy we gettin' busy
 In the city
 We gettin' busy in the city
 Let's take a trip to sunset boulevard
 In the city of stars
 The city of blinding lights, and starry eyes
 I said now welcome to the city of angels
 Woaah

 Here's a peace sign going out to all my haters
 Hi five keaton no hurt hand when we
 Get samples in YorgutLand

 Kill bruz, play call of duty zombies !

 She started to get the best of me
 While she makes her mind of whether she wants me or wesley
