

Emblem3 - Tequila Sunrise

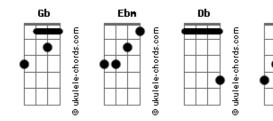

```
Intro: (Ebm Db B Bb )
                Db
I'm so mesmerized, caught up in the eye of a
          Bb Fbm
tropicana sunrise aloha to the world, swimming in a color
dreaming of a bright eyed girl who's got
                Db B Bb
Turquoise pearls, seductive eyes
                            В
                  Db
Kiss my lips, pull me in like a riptide, yeah...
You are blinded by the all knowing, iluminati eye
                     Db
I have one question for you God and that is why
                              Bb
     Ebm Db
                      В
I said why Eve, why Eve, why Eye, whyd you eat the fruit?
Ebm Db B Bb
Why Eve, why Eve, why... Why oh why oh why...
                 Db B Bb
                                     Db B Bb
                               Fbm
          Fbm
Look at that Tequila Sunrise, that Tequila Sunrise
Ebm Db B Bb Ebm Db B
Look at that Tequila Sunrise, burning, burning, burning...
        Bb Ebm Db B Bb
In the distance, can't you see? Oh can't you see.
Intro: Ebm Db
I sailed across the earth in search of humble head
      Db B
Bermuda was a gamble so I played my card and I won the best
Ebm Db
                                        Bb
                         В
I never underestimate what ancient stories teach you, I
```

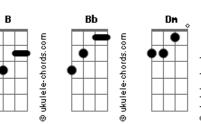

```
lost the world but gained a man, thanks to Machu Picchu,
            Db
Blinded by the all knowing, iluminati eye
                Db
I have one question for you God and that is why
    Ebm Db B
                           Bb
I said why Eve, why Eve, why Eye, whyd you eat the fruit?
Ebm Db B Bb
Why Eve, why Eve, why... Why oh why oh why...
                Db B Bb
           Fbm
                              Fbm
Look at that Tequila Sunrise, that Tequila Sunrise
           Ebm Db B B Bb
                               Ebm Db B
Look at that Tequila Sunrise, burning, burning, burning...
                  Ebm Db B Bb
         Bb
In the distance, can't you see? Oh can't you see.
Hieroglyphic images are painted on the wall, yeah
    Ebm Db B Bb
Yeah... Miss Cleopatra in love I fall (2x)
Blinded by the all knowing, iluminati eye
 Fbm
                   Db
I have one question for you God and that is why
     Ebm Db B
                           Bb
I said why Eve, why Eve, why Eye, whyd you eat the fruit?
Ebm Db B Bb
Why Eve, why Eve, why... Why oh why oh why...
           Ebm
                Db B Bb
                             Dm
                                   Db B Bb
Look at that Tequila Sunrise, that Tequila Sunrise
          Ebm Db B Bb Ebm Db B
Look at that Tequila Sunrise, burning, burning, burning...
```

Ebm Db B Bb

In the distance, can't you see? Oh can't you see.
