

# Emezie - Caboose

tom:

Intro:

G

[Primeira Parte]

<sup>F</sup>  
As fast as a speeding building  
<sup>C</sup>  
Can leap over bullets with kevlar shoes  
<sup>F</sup>  
And though I have no loco motives  
<sup>C</sup>  
I'd gladly lift a train to save her caboose  
<sup>F</sup>  
I am strong, I am fearless  
<sup>C</sup>  
Not a single flaw in a single part

[Pré-Refrão]

<sup>E</sup>  
Except for one weakness  
<sup>E</sup>  
My achilles heel  
<sup>Am</sup> <sup>F</sup>  
A cursed kryptonite heart

[Refrão]

<sup>E</sup>  
Get out of my heart  
<sup>Am</sup>  
I'm heading back to the start  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Oh damn, this kryptonite heart  
<sup>F</sup> <sup>G</sup> <sup>C</sup>  
Oh damn, this kryptonite heart

[Segunda Parte]

<sup>F</sup>  
I had a dream that you loved me  
<sup>C</sup>  
I had a dream that you still gave a damn  
<sup>F</sup>  
I had a dream of defeating  
<sup>C</sup>  
An army of tears with the strength in my hand  
<sup>F</sup>  
In this dream oh so fleeting  
<sup>C</sup>  
I swear my heart was still beating, oh but

[Pré-Refrão]

<sup>E</sup>  
I woke up  
<sup>Am</sup>  
I woke up  
<sup>Am</sup> <sup>F</sup>

Damn this heart so misleading

[Refrão]

<sup>E</sup>  
Out of my heart  
<sup>Am</sup>  
I'm heading back to the start  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Oh damn this Kryptonite heart  
<sup>F</sup> <sup>G</sup> <sup>C</sup>  
Oh damn this Kryptonite heart

[Ponte]

<sup>F</sup>  
This super strength and super speed,  
<sup>C</sup>  
They make me think that probably  
<sup>F</sup>  
I should be much more intrigued  
<sup>C</sup>  
By serious, more grown-up things  
<sup>F</sup>  
But here again, I'm stuck instead  
<sup>C</sup>  
On why butterflies and supermen  
<sup>E</sup>  
Cannot be good, good friends again  
<sup>Am</sup> <sup>F</sup>  
Oh will this trip ever end?

[Refrão]

<sup>E</sup>  
If I play my part  
<sup>Am</sup>  
Can I go back to the start  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
(I think maybe I tried too hard)  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
(I think maybe I tried too hard)  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
(I think maybe I tried too hard)  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
(I think maybe I tried too hard)  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
(I think maybe I tried too hard)  
<sup>F</sup> <sup>G</sup> <sup>Am</sup>  
Will you release my heart?  
(I think maybe I tried too hard)

[Final] <sup>F</sup> <sup>G</sup> <sup>C</sup>

## Acordes
