

Emil Bulls - I Don't Belong Here

m [Intro] G Bb G Bb

G Bb

Thank god I finally know this ship is out of control Bb

Thank god I have the balls to leave it to the sea Bb

Got my lifeboat well prepared, I'm gonna breath virgin air G Bb

I'm gonna smell the scent of a new island

Bb G

It's already said already done, I know I owe you nothing Bb

Everything is said and done, I just can't stay here Bb G

It's already said already done, I know I owe you nothing Bb

Everything is said and done, I don't belong here

(G Bb)

G

I've got the wind at my back, the sun upon my face G

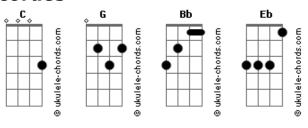

Bb

The wings of my belief carry me to the stars G

Bb

I wanna spend my days in a place without any memories

Acordes

Where the wounds of experience can find a chance to heal

Bb

It's already said already done, I know I owe you nothing

Eb

Everything is said and done, I just can't stay here

Bb

G

It's already said already done, I know I owe you nothing

Eb

Everything is said and done, I don't belong here

Bb

G

And I, I won't need you tomorrow, like you don't care today

Bb

We'd well in constant sorrow

Bb

G

Sorrow is the name of your game I don't belong here

Bb

G

It's already said already done, I know I owe you nothing

Eb

Everything is said and done, I just can't stay here

Bb

It's already said already done, I know I owe you nothing
