

Emilee Flood - Heaven

tom:
 C (forma dos acordes no tom de G)
 Capostraste na 5ª casa

My mind doesn't know
 What to do when it's all alone
 And your mind rushes in
 And lets me know ways that I can grow, ya
 I find that you and I
 We utilize our space and time
 And I want to be with you forever
 We're flying so high now and I can't come down
 Every time I see you I feel a way that I can't explain
 You just got to know that you're so much more
 than you think you worth
 You are my heaven on earth
 You are my heaven on earth
 My heaven on earth
 (G Em7)
 I try to compromise
 This life of mine
 With you by my side

And I fail to fall asleep
 When you're not with me
 Falling into deep
 You say that you are fine and you feel alive
 Like you're on cloud nine
 And you want to be with me forever
 We're flying so high now and I can't come down
 Every time I see you I feel a way that I can't explain
 You just got to know that you're so much more
 than you think you worth
 You are my heaven on earth
 You are my heaven on earth
 Yeah
 I see it in your eyes (your eyes)
 There's a felling you can't deny
 You're flying so high now and you can't come down
 Every time you see me you feel a way that you can't explain
 I just got to know that I am so much more
 Than I think I'm worth
 Am I you're heaven on earth?
 Am I you're heaven on earth?
 Your heaven on earth
