

Emiliano Pordeus - Mesopotâmia do Sertão

tom:

[Intro] A B7

A

Terra do meu coração

De tantas belezas

Mesopotâmia do sertão

Minha fortaleza

Marizópolis de um povo forte

E batalhador

Tenho orgulho desse chão

Não me vejo longe não

Dessa cidade que Deus abençoou

Marizópolis de um povo forte

E batalhador

Tenho orgulho desse chão

Não me vejo longe não

Dessa cidade que Deus abençoou

Dessa cidade que Deus abençoou

Marizópolis

Sempre vou te amar

Do monte sinai

Posso contemplar

Toda arquitetura

E toda natureza

Marizópolis

Sempre vou te amar

Tua simpatia que me faz cantar

Pra essa gente tão feliz

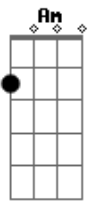

E hospitaleira

Tão linda e tão paraibana

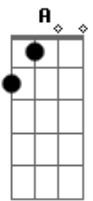

E a BR, cortando no meio

Brilhante entre o rio do peixe e o Rio Piranhas
