tom:

A

A E

Mas deixa

Gbm D

Tudo vai vai passar

A E

Depois da tempestade

Bm D

Vem a calmaria

A E

Me beija

Gbm D

Me abraça

A E

Me sinto tão bem

Bm D

Com a sua companhia

Gbm Dbm

Os anjos me disseram

Bm

Que você caiu do céu

Mas não percebi

Quando eu te descobri

Só estou sendo sincero

Foi tudo qu'eu sempre quis

Ter alguém assim

Especial para mim

Pra falar de nós dois

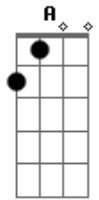

Pra contar dos planos

Pra compartilhar o amor

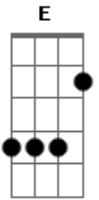

E multiplicar por tantos anos

(A E E D)
