

# Emílio Santiago - Everyday

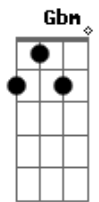

Tom: Gb

Everyday, a little love  
 Everyday, a little care  
 Everyday, a little touch  
 Of your hand and mine to share

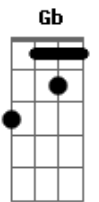

Everyday, a tender word  
 That someone in love would say  
 Everyday, a little love

Helps me live another day  
 What more would I want  
 What more could it be  
 All I ask off you  
 Ask the same of me  
 Everyday, a part  
 Of the love you give  
 Everyday, my love  
 Everyday you live
