

# Emílio Santiago - Saigon

tom:

Intro: **D**

Tantas palavras meias palavras  
 Nosso apartamento um pedaço de Saigon  
 Me disse adeus no espelho com batom

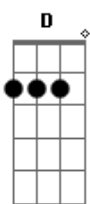

Vai minha estrela iluminando  
 Toda esta cidade como o céu de luz neon  
 Seu brilho silencia todo som

**Gm** **C** **F**  
 As vezes você anda por aí  
**Bb** **A** **D**  
 Brinca de se entregar sonha pra não dormir

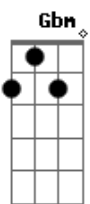

**Gm** **C** **F**  
 E quase sempre eu penso em te deixar  
**Bb** **A** **D**  
 E é só você chegar pra eu esquecer de mim

**D** **G** **Abm** **Db** **C**  
 Anoitecer olho para o céu e vejo como é bom  
**B** **B** **Em** **Gbm**  
 Ver as estrelas na escuridão  
**G** **Gbm** **Em** **A** **D**  
 Espero você voltar pra Saigon
