

# Eminem - I Need a Doctor

Tom: **Bb**

**Gm**  
I'm about to lose my mind **Bb**  
**Dm**  
You've been gone for so long  
**F**  
I'm running out of time  
**Cm**  
I need a doctor  
**Eb**  
Call me a doctor  
**D**  
I need a doctor, doctor  
**Ab**  
To bring me back to life  
  
**Gm**  
I told the world, one day I would pay it back.  
**Bb**  
Say it on tape and lay it, record it, so that one day I could  
play it back.  
**Dm**  
But I don't even know if I believe it when I'm saying that.  
**F**  
Doubt startin' to creep in, everyday it's just so grey and  
black.  
**Cm**  
Hope, I just need a ray of that 'cause no one sees my vision  
**Eb**  
When I play it for 'em, they just say it's wack.

**D**  
But they don't know what dope is.  
And I don't know if I was awake or asleep when I wrote this.  
**Ab**  
All I know is you came to me when I was at my lowest.  
**Gm**  
You picked me up, breathed new life in me, I owe my life to  
you.  
**Bb**  
Before the life of me, I don't see why you don't see like I  
do.  
**D**  
But it just dawned on me; you lost a son.  
See this light in you?  
**F**  
It's dark.  
Let me turn on the lights and brighten me and enlighten you.  
**Cm**  
I don't think you realize what you mean to me, not the  
slightest clue.  
**Eb**  
'Cause me and you, we're like a crew.  
I was like your sidekick.  
**D**  
You gon' either wanna fight when I get off this f-cking mic,  
**Ab**  
Or you gon' hug me.  
But I'm out of options, there's nothing else I can do cause...  
  
**Gm** **Bb**  
I'm about to lose my mind...
