| (intro) Gm Eb Bb F | You ever love somebody so much Gm |
| (refrão) | You can barely breathe |
| (Rihanna) | When you're with them |
| Just gonna stand Gm there and watch me burn Eb | You meet Eb |
| That's alright because Bb I like the way it hurts F | And neither one of you |
| Just gonna stand Gm there and hear me cry Eb | Even know what hit them |
| That's alright because Bb | Got that warm fuzzy feeling Bb |
| I love the way you lie F | Yeah them chills |
| I love the way you lie Gm | Used to get them F |
| (Eminem) | Now you're getting fucking sick |
| I can't tell you what it really is Gm | Of looking at them Gm |
| I can only tell you what it feels like Eb | You swore you've never hit them |
| Bb And right now it's a steel knife in my windpipe | Never do nothing to hurt them |
| F I can't breathe but I still fight while I can fight Eb | Now you're in each other's face |
| Gm As long as the wrong feels right it's like I'm in flight | Spewing venom |
| I offer love drunk from my hate | And these words Bb |
| It's like I'm huffing paint and I love it the more I suffer Eb | When you spit them |
| I suffocate Bb | You push |
| F Can't break the fall I'm about to drown she resuscitates me | Pull each other's hair |
| She fucking hates me and I love it Gm | Scratch, claw, pit them F |
| Wait | Throw them down |
| Where you going | Pin them |
| I'm leaving you Eb | So lost in the moments Gm |
| No you ain't | When you're in them |
| Come back | It's the craze that the corporate |
| We're running right back | Controls you both |
| Here we go again it's so insane Bb | So they say it's best Eb |
| F Cause when it's going good it's going great | To go your separate ways |
| I'm Superman with the wind in his back Gm | Guess that they don't know you |
| She's Lois Lane Bb | Cause today |
| But when it's bad it's awful Eb | That was yesterday |
| I feel so ashamed | Yesterday is over F |
| I snap | It's a different day |
| Who's that dude? | Sound like broken records |
| I don't even know his name Bb | Playing over Gm |
| I laid hands on him F | But you promised her |
| I'll never stoop so low again | Next time you'll show restraint Eb |
| I guess I don't know my own strength | You don't get another chance |
| (refrão) | Life is no Nintendo game Bb |

But you lied again
Now you get to watch her leave
Out the window
Guess that's why they call it windowpane
(refrão)
(Eminem)
Now I know we said things
Did things
That we didn't mean
And we fall back
Into the same patterns
Same routine
But your temper's just as bad
As mine is
You're the same as me
But when it comes to love
You're just as blinded
Baby please come back
It wasn't you
Baby it was me
Maybe our relationship
Isn't as crazy as it seems
Maybe that's what happens
When a tornado meets a volcano

All I know is
I love you too much
To walk away now
Come inside
Pick up your bags off the sidewalk
Don't you hear sincerity
In my voice when I talk
Told you this is my fault
Look me in the eyeball
Next time I'm pissed
I'll aim my fist
At the dry wall
Next time
There will be no next time
I apologize
Even though I know it's lies
I'm tired of the games
I just want her back
I know I'm a liar
If she ever tries to fucking leave again
I'mma tie her to the bed
And set this house on fire
Just gonna
(refrão)
