

Eminem - Love The Way You Lie

Tom: F

(intro) Gm Eb Bb F

(refrão)

(Rihanna)

Just gonna stand there and watch me burn

That's alright because I like the way it hurts

Just gonna stand there and hear me cry

That's alright because

I love the way you lie

I love the way you lie

(Eminem)

I can't tell you what it really is

I can only tell you what it feels like

And right now it's a steel knife in my windpipe

I can't breathe but I still fight while I can fight

As long as the wrong feels right it's like I'm in flight

I offer love drunk from my hate

It's like I'm huffing paint and I love it the more I suffer

I suffocate

Can't break the fall I'm about to drown she resuscitates me

She fucking hates me and I love it

Wait

Where you going

I'm leaving you

No you ain't

Come back

We're running right back

Here we go again it's so insane

Cause when it's going good it's going great

I'm Superman with the wind in his back

She's Lois Lane

But when it's bad it's awful

I feel so ashamed

I snap

Who's that dude?

I don't even know his name

I laid hands on him

I'll never stoop so low again

I guess I don't know my own strength

(refrão)

(Eminem)

You ever love somebody so much

You can barely breathe

When you're with them

You meet

And neither one of you

Even know what hit them

Got that warm fuzzy feeling

Yeah them chills

Used to get them

Now you're getting fucking sick

Of looking at them

You swore you've never hit them

Never do nothing to hurt them

Now you're in each other's face

Spewing venom

And these words

When you spit them

You push

Pull each other's hair

Scratch, claw, pit them

Throw them down

Pin them

So lost in the moments

When you're in them

It's the craze that the corporate

Controls you both

So they say it's best

To go your separate ways

Guess that they don't know you

Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records

Playing over

But you promised her

Next time you'll show restraint

You don't get another chance

Life is no Nintendo game

But you lied again
 Now you get to watch her leave
 Out the window
 Guess that's why they call it windowpane
 (refrão)
 (Eminem)
 Now I know we said things
 Did things
 That we didn't mean
 And we fall back
 Into the same patterns
 Same routine
 But your temper's just as bad
 As mine is
 You're the same as me
 But when it comes to love
 You're just as blinded
 Baby please come back
 It wasn't you
 Baby it was me
 Maybe our relationship
 Isn't as crazy as it seems
 Maybe that's what happens
 When a tornado meets a volcano

All I know is
 I love you too much
 To walk away now
 Come inside
 Pick up your bags off the sidewalk
 Don't you hear sincerity
 In my voice when I talk
 Told you this is my fault
 Look me in the eyeball
 Next time I'm pissed
 I'll aim my fist
 At the dry wall
 Next time
 There will be no next time
 I apologize
 Even though I know it's lies
 I'm tired of the games
 I just want her back
 I know I'm a liar
 If she ever tries to fucking leave again
 I'mma tie her to the bed
 And set this house on fire
 Just gonna
