

Eminem - Love The Way You Lie

Tom: G

Intro: Em C G7 D

Refrão:

Just gonna stand there and watch me burn
 That's alright because I like the way it hurts
 Just gonna stand there and hear me cry
 That's alright because
 I love the way you lie
 I love the way you lie

I can't tell you what it really is
 I can only tell you what it feels like
 And right now it's a steel knife in my windpipe
 I can't breathe but I still fight while I can fight
 As long as the wrong feels right it's like I'm in flight

I offer love drunk from my hate
 It's like I'm huffing paint and I love it the more I suffer
 I suffocate
 Can't break the fall I'm about to drown she resuscitates me
 She fucking hates me and I love it
 Wait
 Where you going
 I'm leaving you
 No you ain't
 Come back
 We're running right back
 Here we go again it's so insane
 Cause when it's going good it's going great
 I'm Superman with the wind in his back
 She's Lois Lane
 But when it's bad it's awful
 I feel so ashamed
 I snap
 Who's that dude?
 I don't even know his name
 I laid hands on him
 I'll never stoop so low again
 I guess I don't know my own strength
 (refrão) (parte da Rihanna q ta la em cima) (batida normal)

You ever love somebody so much
 You can barely breathe

When you're with them
 You meet
 And neither one of you
 Even know what hit them
 Got that warm fuzzy feeling
 Yeah them chills
 Used to get them
 Now you're getting fucking sick
 Of looking at them
 You swore you've never hit them
 Never do nothing to hurt them
 Now you're in each other's face
 Spewing venom
 And these words
 When you spit them
 You push
 Pull each other's hair
 Scratch, claw, pit them
 Throw them down
 Pin them
 So lost in the moments
 When you're in them
 It's the craze that the corporate
 Controls you both
 So they say it's best
 To go your separate ways
 Guess that they don't know you
 Cause today
 That was yesterday
 Yesterday is over
 It's a different day
 Sound like broken records
 Playing over
 But you promised her
 Next time you'll show restraint
 You don't get another chance
 Life is no Nintendo game
 But you lied again
 Now you get to watch her leave
 Out the window

Guess that's why they call it windowpane
(refrão)

Now I know we said things ^{Em}

Did things

That we didn't mean

And we fall back ^C

Into the same patterns

Same routine ^{G7}

But your temper's just as bad

As mine is

You're the same as me ^D

But when it comes to love

You're just as blinded

Baby please come back ^{Em}

It wasn't you

Baby it was me

Maybe our relationship ^C

Isn't as crazy as it seems

Maybe that's what happens ^{G7}

When a tornado meets a volcano ^D

All I know is

I love you too much

To walk away now ^{Em}

Come inside

Pick up your bags off the sidewalk ^C

Don't you hear sincerity

In my voice when I talk ^{G7}

Told you this is my fault

Look me in the eyeball ^D

Next time I'm pissed

I'll aim my fist

At the dry wall ^{Em}

Next time

There will be no next time

I apologize ^C

Even though I know it's lies

I'm tired of the games ^{G7}

I just want her back

I know I'm a liar ^D

If she ever tries to fucking leave again

I'mma tie her to the bed ^D

And set this house on fire

Just gonna
