

# Eminem - Love The Way You Lie

Tom: G

Just gonna stand there and watch me burn  
 But that's alright because I like the way it hurts  
 Just gonna stand there and hear me cry  
 But that's alright because I love the way you lie  
 I love the way you lie

I can't tell you what it really is  
 I can only tell you what it feels like  
 And right now there's a steel knife  
 In my windpipe  
 I can't breathe  
 But I still fight  
 While I can fight  
 As long as the wrong feels right  
 It's like I'm in flight  
 High of a love  
 Drunk from the hate

It's like I'm huffing paint  
 And I love it the more that I suffer  
 I suffocate

And right before im about to drown

She resuscitates me  
 She fucking hates me  
 And I love it

Wait Where you going  
 I'm leaving you

No you ain't Come back  
 We're running right back  
 Here we go again

It's so insane  
 Cause when it's going good  
 It's going great

I'm Superman  
 With the wind in his bag  
 She's Lois Lane

But when it's bad  
 It's awful I feel so ashamed

I snap Who's that dude  
 I don't even know his name

I laid hands on her  
 I'll never stoop so low again

I guess I don't know my own strength

Just gonna stand there and watch me burn  
 But that's alright because I like the way it hurts  
 Just gonna stand there and hear me cry  
 But that's alright because I love the way you lie  
 I love the way you lie

You ever love somebody so much  
 You can barely breathe

When you're with them  
 You meet And neither one of you  
 Even know what hit 'em  
 Got that warm fuzzy feeling  
 Yeah them chills  
 Used to get 'em  
 Now you're getting fucking sick  
 Of looking at 'em

You swore you've never hit 'em  
 Never do nothing to hurt 'em  
 Now you're in each other's face  
 Spewing venom And these words  
 When you spit 'em

You push Pull each other's hair  
 Scratch, claw, bit 'em

Throw 'em down  
 Pin 'em So lost in the moments  
 When you're in 'em

It's the rage that took over  
 It controls you both

So they say it's best  
 To go your separate ways  
 Guess that they don't

know ya Cause today  
 That was yesterday  
 Yesterday is over

It's a different day  
 Sound like broken records  
 Playin' over

But you promised her  
 Next time you'll show restraint

You don't get another chance  
 Life is no Nintendo game

But you lied again  
 Now you get to watch her leave  
 Out the window

Guess that's why they call it window pane

Just gonna stand there and watch me burn  
 But that's alright because I like the way it hurts  
 Just gonna stand there and hear me cry  
 But that's alright because I love the way you lie  
 I love the way you lie

Now I know we said things  
 Did things  
 That we didn't mean

And we fall back  
 Into the same patterns  
 Same routine

But your temper's just as bad  
 As mine is  
 You're the same as me

But when it comes to love  
 You're just as blinded

Baby please come back  
It wasn't you  
Baby it was me

C

Maybe our relationship  
Isn't as crazy as it seems

G

Maybe that's what happens  
When a tornado meets a volcano

D

All I know is  
I love you too much  
To walk away though

Em

Come inside  
Pick up your bags off the sidewalk

C

Don't you hear sincerity  
In my voice when I talk

G

Told you this is my fault  
Look me in the eyeball

D

Next time I'm pissed  
I'll aim my fist  
At the dry wall

Em

Next time  
There will be no next time

C

I apologize  
Even though I know it's lies

G

I'm tired of the games  
I just want her back  
I know I'm a liar

D

If she ever tries to fucking leave again  
I'mma tie her to the bed  
And set the house on fire

Em

C

Just gonna stand there and watch me burn

G

D

But that's alright because I like the way it hurts

Em

C

Just gonna stand there and hear me cry

G

D

But that's alright because I love the way you lie
