

# Eminem - Mocking Bird Intro

Tom: G

There's two ways of playing Mocking Bird. I'm not quite sure which ways right and which wrong, but one is easier and doesn't sound as good.

Here is the easier one :- [ This is the first time I'm submitting tabs and I've just playing guitar so sorry if I make mistakes or you can't

understan it. ]

The second way is harder but I think it sounds better.
