

Eminem - River

Tom: B

[Refrão]

I've been a liar, been a thief, been a lover, been a cheat
 All my sins need holy water, feel it washin' over me
 Well little one, I don't want to admit to something

If all it's gonna cause is pain, truth in my lies right now
 are falling like the rain
 So let the river run

[Verso 1]

He's coming home with his neck scratched to catch flack
 Sweat jackets and dress slacks, mismatch
 On his breast jacket is a sex addict and she just wants to
 Exact revenge and get back

It's a chess match, she's on his back like a jetpack
 She's kept track of all his internet chats and guess who just
 Happens to be moving on to the next actually
 Just shit on my last chick and she has what my ex lacks

'Cause she loves danger, psychopath
 And you don't fuck with no man's girl, even I know that
 But she's devised some plan to stab him in the back
 Knife in hand, says the relationship's hanging by a strand

So she's been on the web lately
 Says maybe she'll be my Gwen Stacy, to spite her man
 And I know she's using me to try to play him
 I don't care, "hi Suzanne", but I shoulda' said "bye Suzanne"

After the first night, but tonight I am

[Refrão]

I've been a liar, been a thief, been a lover, been a cheat
 All my sins need holy water, feel it washin' over me
 Well little one, I don't want to admit to something

If all it's gonna cause is pain, truth in my lies now are
 falling like the rain
 So let the river run

[Verso 2]

One night stand turned into two night stayin', it was cold
 And some might scam, y'all we hug tight and
 He found out, now she feels deserted and used
 'Cause he left, so what, he did it first to her too

Now how am I supposed to tell this girl that we're through?

It's hard to find the words, I'm aloof, nervous and suited
 When it's too hurtful but what you deserve is the truth
 Don't take it personal, I just can't say this in person to you
 So I revert to the studio like Hole In The Wall diners
 Don't have to be reserved in a booth
 I just feel like the person who I'm turnin' into's
 Irreversible, I prayed on you like it's church at the pew

And now that I got you I don't want you
 Took advantage of my thirst to pursue
 Why do I do this dirt that I do?
 Get off my soapbox and preach, my sermon in speech
 Detergent and bleach is burned in the womb
 'Cause now with her in the womb
 We can't bring her in this world, shoulda knew
 To use protection 'fore I bit into your forbidden fruit

[Refrão]

I've been (fuck!) a liar, been a thief, been a lover, been a
 cheat
 All my sins need holy water, feel it washin' over me
 Well little one, I don't want to admit to something
 If all it's gonna cause is pain, truth in my lies now are
 falling like the rain
 So let the river run

[Ponte]

My name's (oh-oh), my name's (oh-oh) Denver (oh-oh), never run
 Just call me (oh-oh), call me (oh-oh) River (oh-oh)
 N.C.
 We'll let the river run

[Verso 3]

Always the bride's maid, never the bride, hey
 Fuck can I say, if life was a highway
 The sequel's an enclave, I'll be swerving in five lanes
 Speeds at a high rate like I'm sliding on ice maybe
 That's why I'm made, that came at you sideways
 I can't keep my lies straight
 What I made you terminate my baby
 This love triangle left us in a wreck tangled
 What else can I say, it was fun for a while, bet I really
 woulda loved your smile
 Didn't really wanna abort but fuck it, what's one more lie to
 tell an unborn child?

[Refrão]

I've been a liar, been a thief, been a lover, been a cheat
All my sins need holy water, feel it washin' over me

Well little one, (I'm sorry) I don't want to admit to something (I fucked up)

If all it's gonna cause is pain, the truth in my lies now are falling like the rain
So let the river run (river run, river run, river run)
