 Intro: Am

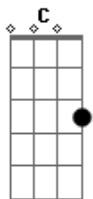

Am  
 We touch, I feel a rush, we clutch, it isn't much  
 But it's enough to make me wonder what's in store for us  
 It's lust, it's torturous, you must be a sorceress  
 Cuz you just, did the impossible, gained my trust  
 Don't play games it'll be dangerous if you fuck me over  
 Cuz if I get burnt, I'ma show ya what it's like to hurt  
 Cuz I've been treated like dirt befo' ya  
 And love is evil, spell it backwards, I'll show ya  
 Am  
 Nobody knows me, I'm cold, walk down this road all alone  
 It's noone's fault but my own, it's the path I've chosen to go  
 Frozen as snow, I show no emotion what'soever, so  
 Don't ask me why I have no love for these muh'fuckin' hoes  
 Blood-suckin' succubuses, what the fuck is up with this  
 I've tried in this department, but, I ain't had no luck with this  
 D  
 It sucks but it's exactly what I thought it would be like  
 tryin' to start over  
 F  
 I've got a hole in my heart for some kind of emotional roller-coaster  
 Somethin' I won't go on, so you toy with my emotions, ho, it's over  
 F#m7b5  
 It's like an explosion every time I hold ya, I wasn't jokin' when I told ya  
 You take my breath away, you're a supernova  
 And I'm a  
 Refrão:

 G  
 And I'm aimin' right at you  
 D  
 Right at you  
 F  
 Right at you  
 Am  
 I'll do whatever it takes, when I'm witchu, I get the shakes  
 C  
 My body aches when I ain't, witchu, I have zero strength  
 G  
 There's no limit on how far I would go, no boundaries, no lengths  
 D  
 Why do we say that until we get that person that we think's  
 F  
 Gonna be that one and then once we get 'em, it's never the

same  
 C  
 You want 'em when they don't want you, soon as they do,  
 feelin's change  
 D  
 It's not a contest and I ain't on no conquest for no mate  
 F  
 I wasn't lookin' when I stumbled onto you, musta been fate  
 But so much is at stake, what the fuck does it take, let's cut to the chase  
 F#m7b5  
 'Fore the door shuts in your face, promise me if I cave in and break  
 And leave myself open that I won't be makin' a mistake  
 Cuz I'm a

 So after a year and 6 months, it's no longer me that you want  
 C  
 But I love you so much it hurts, never mistreated you once  
 G  
 I'll pour my heart out to you, let down my guard, swear to God  
 D  
 I'll blow my brains in your lap, lay here and die in your arms  
 F  
 Drop to my knees and I'm pleadin', I'm tryin' to stop you from leavin'  
 C  
 You won't even listen, so fuck it, I'm tryin' to stop you from breathin'  
 D  
 I put both hands on your throat, I sit on top of you, squeezin'  
 F  
 Til' I snap your neck like a Popsicle stick, ain't a possible reason  
 I can think of to let you walk up out this house and let you live  
 F#m7b5  
 Tears stream down both of my cheeks, then I let you go and just give  
 And before I put that gun to my temple, I told you this

 C  
 To show you how much I adored you  
 G  
 But it's over now, it's too late to save our

 Just promise me you'll think of me  
 Every time you look up in the sky and see a star  
 Cuz I'm a

 And I'm aimin' right at you  
 Right at you

250, 000 miles and a clear night in June

 Without you  
 Without you
