Em C D  
My tea's gone cold, I'm wonderin' why  
G D Em  
Got out of bed at all  
C D  
The morning rain clouds up my window  
G D Em  
And I can't see at all

C D  
And even if I could it'll all be gray  
G D Em  
But your picture on my wall  
C D  
It reminds me that it's not so bad  
G D Em  
It's not so bad

[primeira Parte]

Em C D  
Dear Slim, I wrote you, but you still ain't callin'  
G D Em  
I left my cell, my pager, and my home phone at the bottom  
C D  
I sent two letters back in Autumn, you must not have got 'em  
G D Em  
There probably was a problem with the post office or somethin'  
Em C D  
Sometimes I scribble addresses too sloppy when I jot 'em  
G D Em  
But anyway, what's been up man, how's your daughter?

C  
My girlfriend's pregnant too, I'm bout to be a father  
D C  
If I have a daughter, guess what I'm a call her  
Em  
I'm a name her Bonnie  
C  
I read about your Uncle Ronnie too, I'm sorry  
D G D  
I had a friend kill himself over some b who didn't want him  
C

D  
I know you probably hear this every day, but I'm your biggest fan  
G D Em  
I even got that underground s that you did with Skam  
C D  
I got a room full of your posters and your pictures man  
G D

Em  
I like that s you did with Rawkus too, that s was phat  
C  
Anyways, I hope you get this man, hit me back  
D C  
Just to chat, truly yours, your biggest fan, this is Stan

[segunda Parte]

Em C  
Dear Slim, you still ain't called or wrote, I hope you have a chance  
D G  
I ain't mad, I think it's just f up that you don't answer fans

Em C  
If you didn't wanna talk to me outside your concert  
D G D  
You didn't have to, but you could've signed an autograph for Matthew  
Em C  
That's my little brother man, he's only six years old

D  
We waited in the blistering cold for you  
G D Em  
For four hours and you just said no  
C  
That's pretty sy man, you're like his fing idol  
D C

Em D  
He wants to be just like you man, he likes you more than I do  
C  
I ain't that mad though, I just don't like being lied to  
C G D  
Remember when we met in Denver, you said if I write you  
Em C  
You would write back, see I'm just like you in a way

D  
I never knew my father neither  
G D Em  
He used to always cheat on my mom and beat her  
C  
I can relate to what you're saying in your songs  
D G D  
So when I have a sy day, I drift away and put em on  
Em C  
Cause I don't really got s else, so that s helps when I'm depressed

D C  
I even got a tattoo of your name across the chest  
Em C  
Sometimes I even cut myself to see how much it bleeds  
D G D  
Its like adrenaline, the pain is such a sudden rush for me  
Em C  
See everthing you say is real, and I respect you cause you tell it

D G D  
My girlfriend's jealous, because I talk about you 24/7  
Em C  
But she don't know you like I know you slim, no one does  
D G D  
She don't know what it was like for people like us growin' up  
Em C  
You gotta call me man, I'll be the biggest fan you'll ever lose

D  
Sincerely yours, Stan, p.s  
C  
We should be together too

Em C D  
Dear Mr I'm-Too-Good-To-Call-Or-Write-My-Fans  
G D  
This'll be the last package I ever send your a  
Em  
It's been six months and still no words  
C  
I don't deserve it  
D  
I know you got my last two letters  
G D  
I wrote the addresses on them perfect  
Em C  
So this is my cassette I'm sending you, I hope you hear it  
D G D  
I'm in the car right now, I'm doin' 90 on the freeway  
Em C D  
Hey Slim, I drank a fifth of vodka, dare me to drive?  
C  
You know that song by Phil Collins, In the Air of the Night  
Em C  
About that guy who could've saved that other guy from drowning  
D G D  
But didn't, but Phil saw it all, then at a show he found him  
Em C  
That's kinda how this is, you could've rescued me from  
drowning  
D G D  
Now it's too late, I'm on a 1,000 downers now, I'm drowsy  
Em C  
And all I wanted was a lousy letter or a call  
D G D  
I hope you know I ripped all of your pictures off my wall  
Em C D  
I love you Slim, we could've been together, think about it  
C  
Em  
You ruined it now, I hope you can't sleep and you dream about  
it  
C  
And when you dream, I hope you can't sleep and you scream  
about it  
D G D  
Em  
I hope your conscience eats at you and you can't breathe  
without me  
C  
See Slim, shut up b, I'm trying to talk  
D G D  
Hey Slim, that's my girlfriend screamin' in the trunk  
Em C  
But I didn't slit her throat, I just tied her up, see I ain't  
like you  
D G D  
Em  
Cause if she suffocates, she'll suffer more, then she'll die  
too  
C D  
Well, gotta go, I'm almost under the bridge now  
C  
Oh s, I forgot, how am I supposed to send this s out?

Em C  
Dear Stan, I meant to write you sooner, but I've just been  
busy  
D G D  
You say your girlfriend's pregnant now, how far along is she?  
Em C  
Look, I'm really flattered you would call your daughter that  
D  
And here's an autograph for your brother  
G D Em  
I wrote it on this Starter cap  
C  
I'm sorry I didn't see you at the show, I must've missed you  
D G D Em  
Don't think I did that s intentionally just to dis you  
C  
D  
But what's that s you said about you like to cut your wrists  
too?  
D  
I say that s just clownin' dog  
Em  
C'mon, how fed up is you?  
C  
You got some issues, Stan, I think you need some counseling  
D G D  
Em  
To keep your a from bouncin' off the walls when you get down  
some  
C  
And what's this s about us meant to be together?  
D G D  
Em  
That type of s will make me not want us to meet each other  
C  
I really think you and your girlfriend need each other  
D G  
Or maybe you just need to treat her better  
D Em C  
I hope you get to read this letter, I hope it reaches you in  
time  
D C  
Before you hurt yourself, I think that you'll be doin just  
fine  
Em C  
If you relax a little, I'm glad that I inspire you, but Stan  
D G D  
Em  
Why are you so mad? Try to understand, that I do want you as a  
fan  
C  
I just don't want you to do some crazy s  
D G D  
Em  
I seen this one s on the news a couple of weeks ago that made  
me sick  
C  
Some dude was drunk and drove his car over a bridge  
D G  
D  
And had his girlfriend in his trunk and she was pregnant with  
his kid  
Em C  
And in the car they found a tape, didn't say who it was to  
D C Em  
Come to think about it, his name was, it was you

Em
