

# Eminem - When I'm Gone

Tom: C

(com acordes na forma de G )

Capostrate na 5ª casa

C D  
Have you ever loved someone so much, you'd give an arm for?

Em  
Not the expression, no, literally give an arm for?

C D  
When they know they're your heart And you know you were their  
armour

Em  
And you will destroy anyone who would try to harm 'her

C D  
But what happens when karma, turns right around and bites you

Em  
And everything you stand for, turns on you, to spite you?

C  
What happens when you become the main source of a pain?

Em D  
"Daddy look what I made," dad's gotta go catch a plane

C D  
"Daddy where's mommy? I can't find mommy, where is she?"

Em  
I don't know, go play Hailie, baby, your daddy's busy

C D  
Daddy's writing this song, this song ain't gon' write itself

Em  
I'll give you one underdog, and you gotta swing by yourself

C D  
Then turn right around in that song and tell her you love her

Em  
And put hands on her mother, who's a spitting image of her

C  
That's Slim Shady, yeah baby, Slim Shady's crazy

Em D  
Shady made me, but tonight Shady's rocka-by-baby

C D  
And when I'm gone, just carry on, don't mourn

Em  
Rejoice every time you hear the sound of my voice

C D  
Just know that I'm looking down on you smiling

Em  
And I didn't feel a thing, So baby don't feel my pain

Just smile back

C D  
And when I'm gone, just carry on, don't mourn

Em  
Rejoice every time you hear the sound of my voice

C D  
Just know that I'm looking down on you smiling

Em  
And I didn't feel a thing, So baby don't feel no pain

Just smile back

C D  
I keep having this dream, I'm pushin' Hailie on a swing

Em  
She keeps screaming, she don't want me to sing

C  
"You're making mommy cry Why? Why is mommy crying?"

Em D  
Baby, daddy ain't leaving no more, "Daddy you're lying

C D  
"You always say that, you always say this is the last time

Em  
But you ain't leaving no more, daddy, you're mine"

C D  
She's piling boxes in front of the door, trying to block it

Em  
"Daddy please, daddy don't leave, daddy, no stop it!"

C D  
Goes in her pocket, pulls out a tiny necklace locket

Em  
It's got a picture, "This'll keep you safe daddy, take it  
witha'"

C  
I look up, it's just me standing in the mirror

Em D  
These fg' walls must be talking, cuz man I can hear 'em

C D  
They're saying, "You got one more chance to do right

Em  
And it's tonight, now go out there And show em that you love  
'em fore it's too late

C D  
And just as I go to walk out of my bedroom door It's turns to  
a stage

Em  
They're gone, and this spotlight is on

And I'm singing

C D  
And when I'm gone, just carry on, don't mourn

Em  
Rejoice every time you hear the sound of my voice

C  
Just know that I'm looking down on you smiling

Em D  
And I didn't feel a thing, So baby don't feel no pain

Just smile back?

C D  
And when I'm gone, just carry on, don't mourn

Em  
Rejoice every time you hear the sound of my voice

C D  
Just know that I'm looking down on you smiling

Em  
And I didn't feel a thing, So baby don't feel no pain

Just smile back?

C D  
Sixty thousand people, all jumping out their seat

Em  
The curtain closes, they're throwing roses at my feet

C  
I take a bow and thank you all for coming out

Em D  
They're screaming so loud, I take one last look at the crowd

C D  
I glance down, I don't believe what I'm seeing

Em  
"Daddy it's me, help mommy, her wrists are bleeding"

C  
But baby we're in Sweden, how did you get to Sweden? "I  
followed you daddy, you

told me that you weren't leavin'

Em D  
You lied to me dad, and now you made mommy sad And I bought  
you this coin, it says 'Number One Dad'

C D  
"That's all I wanted, I just want to give you this coin

Em  
I get the point, fine, me and mommy are goin'"

C  
But baby wait, "It's too late dad, you made your choice

Em D  
Now go out there and show 'em that you love 'em more than us"

C D  
That's what they want, they want you Marshall

Em  
They keep screamin' your name

C  
It's no wonder you can't go to sleep, just take another pill

Em D  
Yeah, I bet you you will, you rap about it Yeah, word, k-keep  
it real

C D  
I hear applause, all this time I couldn't see

<sup>Em</sup> How could it be, that the curtain is closing on me?  
<sup>C</sup> I turn around, find a gun on the ground and cock it  
<sup>Em</sup> Put it to my brain, scream, "Die Shady" and pop it  
<sup>C</sup> The sky darkens, my life flashes  
<sup>Em</sup> The plane that I was supposed to be on crashes and burns to ashes  
<sup>C</sup> That's when I wake up, alarm clock's ringin', there's birds singin'  
<sup>Em</sup> It's spring and Hailei's outside swinging  
<sup>C</sup> I walk right up to Kim and kiss her  
<sup>Em</sup> Tell her I miss her, Hailie just smiles  
<sup>C</sup> And winks at her little sister

<sup>Em</sup> Almost as if to say  
<sup>C</sup> And when I'm gone, just carry on, don't mourn  
<sup>Em</sup> Rejoice every time you hear the sound of my voice  
<sup>C</sup> Just know that I'm looking down on you smiling  
<sup>Em</sup> And I didn't feel a thing, So baby don't feel no pain  
 Just smile back?  
<sup>C</sup> And when I'm gone, just carry on, don't mourn  
<sup>Em</sup> Rejoice every time you hear the sound of my voice  
<sup>C</sup> Just know that I'm looking down on you smiling  
<sup>Em</sup> And I didn't feel a thing, So baby don't feel no pain  
 Just smile back
