

Emma Bunton - Too Many Teardrops

Tom: E

m
Intro: Em Bm

Em
Love is a serious game
Bm
I don't know the rules you were playing
Em
I gave you the keys to my heart
Bm
You tore it apart

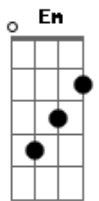

And I never thought we'd end this
But you know that I can't stay
'Cause there's too many teardrops I've cried
D
I could have filled me an ocean
Now I'm leaving this heartache behind
D
I might be bruised but I won't be broken
'Cause too many teardrops I've cried
Em
Over you
Bm
Over you
Em
I'm not afraid of the fire
Bm
But I saw the flames getting higher
Em
I know we started with sparks
Bm
But you pushed me too far
Em
But I got my eyes wide open
A7
And I have to walk away
G
'Cause there's too many teardrops I've cried
D
I could have filled me an ocean

G A7
Now I'm leaving this heartache behind
D Bm
I might be bruised but I won't be broken

Over you
Bm
Over you

I loved you baby

Before I lose my mind
