

Emma Duncan - Angel

tom:

C

Once upon a time there was an angel
 She did shine, she did shine, and she didn't shine
 Somehow she got herself tangled
 In his heart, and in his mind
 (F Am F Am)

She laid down her wings and her halo
 Fate to the ground, to the ground to the ground
 Try as she might she couldn't dim her glow
 Let it shine, let it shine, let it shine
 With the writing on the walls up in the sky
 There are thousands of reasons why
 But they tangled her glow like a line

C G F Am
 And her heart knew it was time

Am G
 She picked up her spade and her apron

F Am
 With a smile, with a smile, with a smile

G
 With every moment, there were taken

F Am
 Feeling fine, feeling fine, feeling fine

C Am Em
 Dear heart, dear soul, dear memories

G
 Please remember me

C Am Em G
 Made of light, fill the sky, I'm flying free

C Am
 With the writing on the walls, up in the sky

G Em
 There are thousands of reasons why

F Am
 But the tangled of her glow like a line

C G
 And her heart knew it was time

C
 Knew it was time
