

Emma Lauran - A Million Pieces (feat IKO)

If I haven't got you tom: Αh And my life will be Gb Db You took every picture I made Looking out of windows missing you Ab Ebm I can't do this And turned it into color I was only evergreen If I haven't got you Ab You gave me rivers and the flowers And my life will break Db I wish you would say something Into a million pieces Cause I'm doing all the talking Into a million pieces I can't do this Into a million pieces If I haven't got you Into a million pieces Ab And my life will be Into a million pieces Looking out of windows missing you Into a million pieces I can't do this Into a million pieces If I haven't got you Into a million pieces And my life will break I can't do this Into a million pieces If I haven't got you Into a million pieces Ab And my life will be Into a million pieces Looking out of windows missing you Into a million pieces I can't do this Into a million pieces If I haven't got you Into a million pieces And my life will break Into a million pieces Into a million pieces Into a million pieces Into a million pieces I'm one day away from Into a million pieces Ab Into a million pieces Your hand, will I ever hold it? I dressed up my feelings Ab Into a million pieces So you, you could take it all off Into a million pieces I feel like a Dorothy Into a million pieces You're the house that spins around me Into a million pieces I can't do this Acordes AЬ ukulele-chords.com
