

Emma Steinbakken - Not Gonna Cry

Tom: Gb

m
Intro: Gbm D A E

[Primeira Parte]

I know it's not supposed to be easy
 Pouring out the bottled up feelings
 But I didn't think it would be this hard
 Walking to school with a broken heart
 And the jacket around my waist feels stupid
 I don't know why the hell we do this
 Saying I'm sorry like I'm the one
 Who's picking us apart for fun

[Pré-Refrão]

Why am I feeling like this?
 Why am I feeling like shit?
 Why am I all in pieces?
 I don't even need this, oh-oh
 Why am I on the bedroom floor?

[Refrão]

With paranoia and painkillers
 Washing away all these feelings
 But I know, I know, I know
 I'm not gonna cry for you
 Choking all these thoughts I'm thinking
 You're a cigarette and I'm quitting
 But I know, I know, I know
 I'm not gonna cry for you
 I'm not gonna cry for you
 I'm not gonna cry for you

[Primeira Parte]

You smell of cigarette and perfume
 No one fucks me up like you do
 And maybe you thought I would play along
 I'd rather be dancing on my own
 Do you really think that I'm stupid?
 Of course I heard all the rumors
 But all of the grenades you threw
 They just made me bulletproof

[Pré-Refrão]

I'm done with feeling like this
 Done with feeling like shit
 Done with being in pieces
 I don't even need this, oh-oh
 I'm done with laying on the floor

[Refrão]

With paranoia and painkillers
 Washing away all these feelings
 But I know, I know, I know
 I'm not gonna cry for you
 Choking all these thoughts I'm thinking
 You're a cigarette and I'm quitting
 But I know, I know, I know
 I'm not gonna cry for you
 I'm not gonna cry for you
 I'm not gonna cry for you
 I'm not gonna cry for you
 I'm not gonna cry for you
 I'm not gonna cry for you
