

Emmerson Nogueira - A Horse With No Name

Tom: G
Intro: Em D Em D

Em D
On the first part of the journey
Em D
I was looking at all the life
Em D
There were plants and birds and rocks and things
Em D
There was sand and hills and rings
Em D
The first thing I met was a fly with a buzz
Em D
And the sky with no clouds
Em D
The heat was hot and the ground was dry
Em D
But the air was full of sound

Em D
I've been through the desert on a horse with no name
Em D
It felt good to be out of the rain
Em D
In the desert you can remember your name
Em D
'Cause there ain't no one for to give you no pain
Em D
La la la la la la la la
Em D
La la la la la la la la

Em D
After two days in the desert sun
Em D
My skin began to turn red
Em D
After three days in the desert fun
Em D
I was looking at a river bed
Em D
And the story it told of a river that flowed
Em D

Made me sad to think it was dead

Em D
You see I've been through the desert on a horse with no name
Em D
It felt good to be out of the rain
Em D
In the desert you can remember your name
Em D
'Cause there ain't no one for to give you no pain
Em D
La la la la la la la la
Em D
La la la la la la la la
Em D
After nine days I let the horse run free
Em D
'Cause the desert had turned to sea
Em D
There were plants and birds and rocks and things
Em D
there was sand and hills and rings
Em D
The ocean is a desert with it's life underground
Em D
And a perfect disguise above
Em D
Under the cities lies a heart made of ground
Em D
But the humans will give no love

Em D
You see I've been through the desert on a horse with no name
Em D
It felt good to be out of the rain
Em D
In the desert you can remember your name
Em D
'Cause there ain't no one for to give you no pain
