

# Emmerson Nogueira - Every Little Thing She Does is Magic

Tom: F

Though I've tried before to tell her  
 Of the feelings I have for her in my heart  
 Every time that I come near her  
 I just lose my nerve  
 As I've done from the start

(refrão)

Every little thing she does is magic  
 Everything she do just turns me on  
 Even though my life before was tragic  
 Now know my love for her goes on

Do I have to tell the story  
 Of a thousand rainy days since we first met  
 It's big enough umbrella  
 But it's always me that ends up getting wet

(refrão)

I resolve to call her up a thousand times a day  
 And ask her if she'll marry me in some old fashioned way  
 But my silent fears have gripped me  
 Long before I reach the phone  
 Long before my tongue has tripped me  
 Must I always be alone?

(refrão)
