 [Primeira Parte: Jussie Smollett]  
 E Dbm  
 Open your eyes to what you love to hate  
 A  
 You're up in the sky but you ain't flying straight  
 E  
 Where do I go when I can't go home?  
 Cause you sold it, and you lost yourself in you are just no more  
 E Dbm  
 Take every piece, every piece of me  
 A  
 Whatever you need, my mind is changing  
 E  
 And I can't hide no, but you know where I'll be  
 Mother

[Ponte: Jussie Smollett]  
 E  
 I know  
 E Dbm  
 I said I didn't need it, I said I wasn't built for it  
 A  
 But now that I can see it, damn right I really made it for this  
 B E  
 Chasing the sky, trying to fly  
 And now I see  
 E Dbm  
 Just why you had to be so hard for me  
 A  
 You'll hear my roar then fill your legacy  
 B E  
 Here to the sky, no choice but to fly, so high, so high, so high

[Segunda Parte: Yazz]  
 E  
 Blood is supposed to be thicker than water is  
 E  
 Nowadays we can't even stomach the thought of it  
 Dbm  
 It's like we can't even get along, who right and who in the wrong?  
 Dbm  
 Too busy pointing fingers like it's politics  
 A  
 I tell you shut up, you tell me be quiet, too much dysfunction  
 A  
 Cut up like we at a riot, kicking and punching  
 E  
 Ain't nobody here to mediate it

E  
 And you would think that we wasn't even related  
 E  
 Why are we even throwing blows in the first place?  
 E  
 We fight at cook outs, picnics and birthdays  
 Dbm  
 I tried to give the benefit but in the worst case  
 Dbm  
 You keep on talking smack, you end up with a hurt face  
 A  
 And we tried everything, it's time for plan B  
 A  
 If Bloods and Crips can reconcile, why can't we?  
 E  
 I guess I'm ratchet like my mama and my poppa  
 E  
 I'm chasing the sky and I ain't talking 'bout the vodka, let's fly

[Terceira Parte: Terrence Howard]  
 E  
 Far from a perfect man  
 E Dbm  
 The fights and the lies , I guess you never understand  
 A  
 A mother and father who wanted for you much more than  
 E  
 Life is a slight of hand, if you hate it today  
 E  
 And my love for you is the one thing that's true  
 [Quarta Parte: Jussie Smollett]

E Dbm  
 Going all alone, I can't even trust all the people here inside my home  
 A  
 And if you were my brother, then never let it get so wrong  
 E  
 That you turn your back on what we were  
 E  
 Turn your back on me, on your family, no

[Hook: Jussie Smollett]  
 E  
 I know  
 E Dbm  
 I said I didn't need it, I said I wasn't built for it  
 A  
 But now that I can see it, damn right I really made it for this  
 B E  
 Chasing the sky, trying to fly  
 And now I see  
 E Dbm  
 Just why you had to be so hard for me
