

Empire Cast - Conqueror (Estelle & Jussie Smollett)

Tom: C	And even though they're wrong,
C Life is like a big merry-go-round	Don't prove 'em right
You're up and then down	I'd rather stand tall
G F G C Going in circles tryin' to get to where you are	Than live on my knees
C E Everybody's been cutting you out	Cause I'm a conqueror
But where are they now?	And I won't accept defeat
G F Sitting in the same old place	Try telling me no
G C Just faces in the crowd	One thing about me
We all make mistakes	Is I'm a conqueror
You might fall on your face	I am a conqueror
But you gotta get up!	Ooh oh
I'd rather stand tall	(Oooh Oooh)
Than live on my knees	G F C I am a conqueror
Cause I'm a conqueror	We all make mistakes
And I won't accept defeat	You might fall on your face
Try telling me no	But you gotta get up!
One thing about me	We all make mistakes
Is I'm a conqueror	You might fall on your face
I am a conqueror	But you gotta get up!
Ooh oh	I'd rather stand tall
Got a vision that no one else sees	Than live on my knees
Lot of dirty work, roll up your sleeves	Cause I'm a conqueror
Remember there's a war out there	And I won't accept defeat
